Subject: Delaware family who where Hospitalized

Good evening. I am one of the police officers in Virgin Islands who located Mr Esmond Stevens in his villa after he was able to walk out of the hospital without being discharged. I remained in the villa for at least one half hour and was able to capture a few seconds of video footage [Ex. 6 - Personal Privacy] I I will be visiting a doctor for a thorough examination since we (officers) were sent into an unknown environment without protective gear and could be at risk with what was alleged to have affected Mr. Esmond and his family. Send the family my regards and let them know that I am praying for their speedy recovery. Should you need any further information you can contact me at this email. Thank you
